7 On April 8, 2022, the Court continued the stay of these cases until May 31, 2022. It  
8 also ordered the Parties to file notices of settlement within ten days of reaching any  
9 settlement, or alternatively, to file case management statements by May 20, 2022. The  
10 Parties have failed to provide either notices of settlement or case management statements,  
11 well past these deadlines. The Parties are ORDERED to show cause why they should not  
12 be sanctioned for failure to comply with the Court's orders within seven (7) days of the  
13 entry of this Order. A proper response to this OSC will include a sufficient compliance  
14 declaration explaining the basis for the failure to file notices of settlement or case  
15 management statements as well as a status report.
